

# SA...LUTE!

**Real Life ROKA Experience**

**Sogang Univ. Art&Technology**  
**20191126 Lee Dongju**

# Idea & Concept

---

**It's mandatory for every healthy man of the ROK to serve in the army.**

**The army has some interesting cultures**

**One of those cultures is...**

## Idea & Concept

---

**SALUTING  
TO A  
HIGHER  
RANKING  
SENIOR**

## **Game Flow**

---

**You are given a rank in the military. (Gradually promoted)**

**Various ranking soldiers & officers passes by the player**

**You(player) must salute to a higher ranking soldier & officer before they pass you by.**

**Misses to salute:  
-1 Life (Total 3 Lives)**

**Salutes to a Lower Rank:  
-1 Rank**

# Game Flow

---

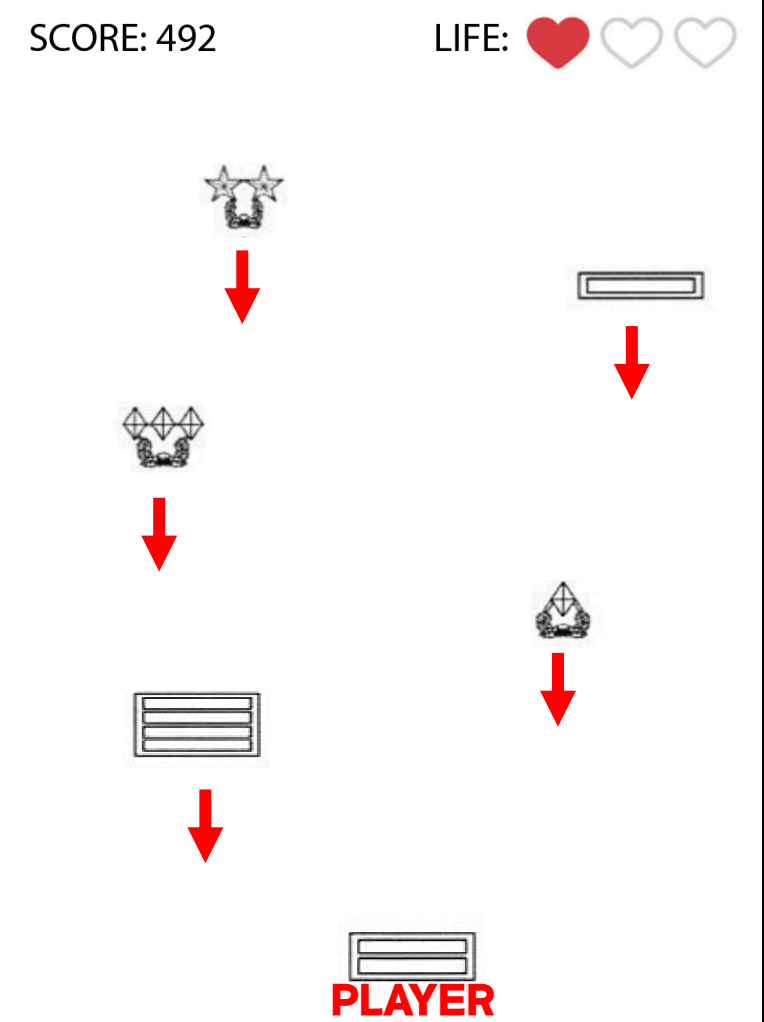

**For every successful salute, certain amount of score is gained and the speed of the game increases.**

**The score gained per successful salute gradually increases as your(player's) rank rises.**

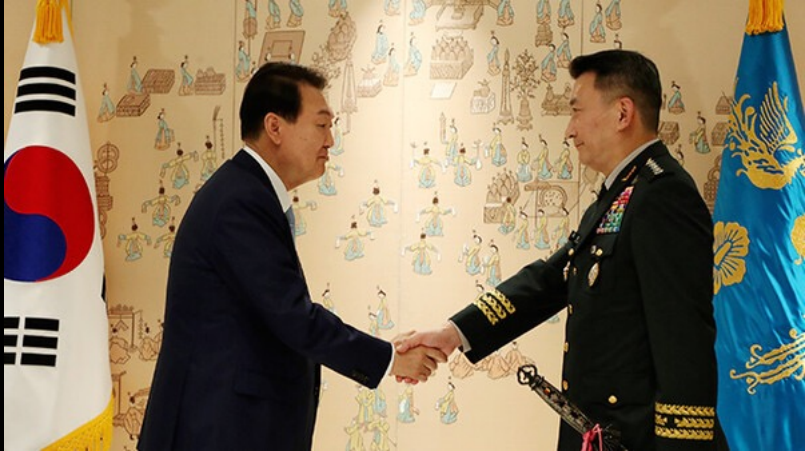

**The game's ultimate goal is to reach the highest score as possible.**

**It's favorable to keep your rank as high as possible**

# Sketch

It should look something like this...  
With more advanced graphics

The ending may be...  
Being promoted to a 4 star general?
